The Department of Mathematical Sciences at Georgia Southern University has two visiting instructor of Mathematics positions open for which we seek to make a hire for the 2019-20 academic year. These positions are located on the Statesboro campus. If you know of someone who is interested, please share this position description with them.

At Georgia Southern, visiting instructors normally teach fifteen credit hours per semester, hold regular office hours, and participate in departmental meetings and activities. Collegiality is essential. All visiting positions are non-tenure track, academic-year (9/10 month) appointments. Appointments are for one year only, although there is the possibility of reappointment should funding permit and based upon satisfactory performance. The second year would be a terminal year, without exceptions. The salary is $42,000 plus benefits. The salary is not negotiable. Moving expenses are not included.

**Required Qualifications:**
- Earned master’s or doctoral degree in mathematics, or in a closely related field with at least 18 graduate semester hours in mathematics by July 1, 2019.
- Excellent oral and written communication skills.
- Must be authorized to work in the United States for the duration of employment without assistance from the institution.

**Preferred Qualifications:**
- Experience teaching core-level mathematics courses.

We will begin screening applications as they are received. The position starts on August 1, 2019. Please ask interested candidates to send a complete application, consisting of a letter addressing the qualifications cited above, including a verifiable statement regarding authorization to work, unassisted, in the US; a curriculum vitae; and the names, addresses, telephone numbers, and email addresses of at least three professional references.
